Cary,

Attached is the Council letter to increase the amount limit for Blanket PO# 524729; Electrical Services.

There are invoices that need to be paid by Public Works for the Wilcox Blvd. Tunnel Modification and other electrical work done throughout the City.

The 1st renewal was put through for \$600,000 and should have probably been put through for \$1.5 million, which was the original amount Council approved for the 1st year of the contract.

Please review and make any necessary changes.

Thanks.

Subject: R125375 – Articulating Wheel Loader - Public Works Department

Dear Mr. Norris;

Council approval is recommended for the purchase of an Articulating Wheel Loader as needed by the Public Works Department. The cost of this purchase is \$289,631.00.

The invitation to bid was sent to thirteen (13) vendors as well as formally advertised. Three (3) bids were received. The bids are retained on file in the Purchasing Office for your review upon request. A spreadsheet is attached, showing the bids received.

Although the bids from Meade Equipment and ASC Construction Equipment were lower, the equipment they offered did not match the specifications as closely as the equipment offered by Stowers Machinery. I recommend awarding this contract to Stowers Machinery, based on the lowest bid meeting the specifications for the City of Chattanooga.

Respectfully yours,

Bonnie Woodward
Purchasing Director
