February 3, 2016

Mr. Cary Bohannon Director of General Services General Services Department 274 East 10th Street Chattanooga, TN 37402

Subject: 123625 / 303947 -- Electrical Supplies -- General Services Department

Dear Mr. Bohannon:

Council approval is recommended to issue two (2) twelve (12) month citywide blanket contracts for Electrical Supplies with the option for three (3) additional twelve (12) month terms for an estimated annual amount of \$500,000.

The invitation to bid was sent to fifteen (15) vendors as well as formally advertised. Bids were received from eight (8) vendors shown below. Bids are retained on file in the Purchasing Office for your review upon request.

Vendors

Gexpro
Stuart C. Irby
Kendall Electric

Diversified Supply, Inc.

Mayer Electric Supply

Electric Motor Sales

CED-Thurman Bryant

Maintenance Engineering, LTD

I recommend awarding the blanket contracts for Electrical Supplies to Gexpro and Mayer Electric Supply as the best complete bids meeting specifications for the City of Chattanooga. Mayer Electric Supply is certified as a Women Owned Business by the Governor's Office of Diversity Business Enterprise for the State of Tennessee and the Women's Business Enterprise National Council.

Respectfully yours,

Bonnie Woodward

Director of Purchasing

uniell)oodward

BW/mlm

Mr. Brent Messer Chief Information Officer Information Technology Department 100 East 11th Street, 4th Floor Chattanooga, TN 37402

Subject: Requisition 128615- Fiber Optics Services - Electric Power Board of Chattanooga -

Information Technology Department

lielloodured

Dear Mr. Messer:

Council approval is recommended for the purchase of Fiber Optics Services from Electric Power Board of Chattanooga. These services include video, voice, and data services and will cover all City locations utilizing Fiber Optics services. The annual estimated spend for this service is not expected to exceed \$1,320,000.00.

Electric Power Board of Chattanooga is a sole provider of Fiber Optics communications services. This purchase is required to support the infrastructure and operational needs of the City as a whole.

TCA 6-56-304.2 allows for this sole source purchase exempted from the usual advertising and bidding requirements.

Respectfully yours,

Bonnie Woodward Purchasing Director

BW/sl

Fiber Optics Commercial Terms and Conditions Co-Location Terms and Conditions Service Level Agreement(s) – Pro Internet, VLAN Rate Card Order Confirmation

Fiber Optics Terms and Conditions of Service for Commercial Customers

Acceptable Use of Services. EPB Fiber Optics has published acceptable use terms and conditions for Services. Customers who knowingly violate these terms may have their use of services revoked or suspended. Copies of these acceptable use terms and conditions are available at EPB's headquarters and at www.epbFi.com. Customers are encouraged to read and follow the Acceptable Use Policy. Customer may not use Pay-Per-View for commercial gain or public viewing without EPB's prior express authorization. The Service(s) provided herein are for Customer's use only, and Customer shall not use or permit the use of these services for any other purpose. Customer shall not make the Service(s) or permit the Service(s) to be made available for resale. Customer may not resell or transfer the Service or the Equipment to any other person for any purpose, or charge others to use the Service; tamper with, disrupt or "hack" EPB's Equipment, or make use of the Service in any way that is inconsistent with its intended purpose. Customer also agrees to comply with all end-user license agreements that accompany the Equipment or are otherwise applicable to Customer's use of the Equipment and the Services. All such agreements are incorporated herein by reference. Upon termination of this Agreement, all end-user licenses also terminate; Customer agrees to return to EPB or destroy at that time all versions and copies of all software received in connection with the Services. EPB reserves the right to terminate Customer's Service should you, in EPB's sole discretion, commit any of the actions listed above. Customer is responsible for any liability or charges billed by any program provider.

Assignment. This Agreement is non-assignable without the express written consent of EPB Fiber Optics.

Billing and Payment. EPB will bill all charges, applicable taxes, and fees monthly in advance (except for usage based charges, which will be billed monthly in arrears). Applicable charges will be set forth in EPB's then-current fee schedule found at www.epbFi.com. Some government imposed fees and taxes may be imposed or become applicable retroactively, and Customer will be responsible for paying any such charge. If Customer is exempt from payment of such taxes, Customer must provide EPB with an original certificate that satisfies all applicable legal requirements. A tax exemption will only apply from and after the date we receive it. Failure to pay the total balance when due may be grounds for disconnecting service and/or imposing a late fee. EPB may charge a reasonable fee for all returned check and bankcard chargebacks. The returned amount plus fee must be paid by cash, cashier's check or money order. If EPB retains an agency or attorney to collect any amount owed, Customer will be obligated to pay all of EPB's costs of collection, including attorneys' fees. If Customer disputes any charges, Customer must notify EPB within sixty (60) days of the date of Customer's EPB invoice, or any such dispute will be waived.

Changes to Service Terms and Conditions. Subject to applicable law, EPB has the right to change our Services and equipment at any time. EPB may also change, add or remove programming features or offerings contained in the Service or other Terms & Conditions related to the Service. EPB will provide notice of changes to the Service and to these Terms & Conditions consistent with applicable law. EPB may also post notice of such changes at www.epbFi.com or send notice to Customer to the email address on EPB's account records.

Copyright. Any firmware or software used to provide the Service and all Services, information, documents and materials provided by EPB in written or electronic form are protected by trademark, copyright or other intellectual property laws. Customer's use of this firmware, software and the Services is subject to these laws. All names, service marks, trademarks, trade names, logos, content, photographs, sound or image files and domain names (collectively "marks") of EPB are and shall remain the exclusive property of EPB, and nothing in these Terms & Conditions shall grant Customer the right or license to use any of such marks.

Credit Policy. EPB reserves the right to review Customer's previous billing history with EPB or access Customer's credit history through a credit reporting agency.

Customer's Responsibilities: To the extent applicable to a municipal entity under Tennessee law, Customer shall: (1) Be responsible for and pay any and all local, state or federal taxes or charges in the nature of taxes imposed by any governmental authority or regulatory agency, in addition to the charges required by EPB pursuant to the Agreement; (2) Upon the request of EPB, promptly furnish any technical information or specifications relating to its system as may be reasonably required by EPB; (3) Upon the request of EPB, promptly provide identified employees or contractors of EPB safe access to Customer's premises at all reasonable times for the purpose of installing, maintaining, repairing, removing, exchanging or inspecting any or all equipment and facilities belonging to EPB; (4) Provide adequate right-of-way over, access to and space within Customer's premises, as determined by EPB, for EPB's facilities and equipment; (5) Not permit or use EPB's system or facilities for any use or purpose not permitted by EPB's Acceptable Use Policy or by applicable federal, state or local law or regulation, including, without limitation, and any laws or regulations presently in force or hereafter adopted pertaining to broadcast or other "spam" e-mails; and (6) Be responsible for and protect the property, equipment and facilities of EPB on Customer's premises.

E911 Notice. In order for 911 calls to be properly directed, EPB must have Customer's correct service address. Fi Phone uses the electric power in Customer's business. In the event of a power outage, 911 calling may be interrupted if battery back-up is not installed, fails or is exhausted. Calls may not be completed in the event of problems with network facilities or other technical problems. Prior to changing Customer's address, please call (423) 648-1500 to provide EPB with notice. EPB will require several business days to update Customer's service address in the E911 system.

Equipment. All equipment issued to Customer by EPB shall remain the property of EPB at all times. Customer agrees to be responsible for any loss, theft or damage of EPB Fiber Optics' equipment. If equipment is lost or damaged, please contact Customer's insurance company to file a claim. EPB is not responsible for the maintenance, operation, service or repair of any of Customer's equipment connected to the Services, including without limitation television, computer, telephone or any other device. Customer agree to allow EPB or its agents to send software to Customer's equipment and to configure Customer's equipment when necessary to provide Services, even if doing so changes, adds or removes features or functionality of any such equipment. Absent gross negligence or willful misconduct, EPB will not be responsible for any damage to Customer's equipment arising from such activities. In the event of such damage,

EPB's maximum liability to Customer is \$500 for the cost of repairs. If Customer is not the owner of the equipment, Customer is responsible for obtaining any necessary approval from the owner to allow EPB to access this equipment and to perform the activities listed above.

Force Majeure. EPB shall not be liable for any failure, interruption or diminution of service in the event that such failure, interruption or diminution is caused by or due to causes beyond its control, including, but not limited to, acts of God; fire, earthquake, flood, water, the elements or other catastrophes; strikes, lock-outs, work stoppages or other labor difficulties; utility curtailments, power failures, explosions; insurrections, riots, wars or civil disturbances; any law, order, regulation, or requests of any government or of any civil or military authority; national emergencies; shortages or failure of equipment or supplies, including cable, fiber, switching and other network equipment of third parties; unavailability of transportation; acts or omissions of third parties; or any other cause beyond EPB's reasonable control.

Governing Law. These Terms & Conditions and the relationship between Customer and EPB shall be governed by the laws of the State of Tennessee without regard to its conflict of laws principles.

Hold Harmless. To the extent permitted by Tennessee law, each party agrees to hold the other harmless from all liabilities, damages, claims and expenses that arise from Customer's or a User's use or misuse of the Service; from any violation or infringement of contractual rights, privacy, confidentiality, copyright, patent, trademark, trade secret or other intellectual property; from use or failure of the 911/E911 functionality or any other dialing associated with a home security, home detection, medical monitoring or other similar system; and from a breach breach of any provision of these Terms & Conditions.

Installation and Access. As the customer, Customer agrees to allow EPB Fiber Optics the right to enter Customer's property for the purposes of adjusting, repairing, replacing, maintaining, moving, auditing or removing any equipment if necessary. Customer represents that Customer either owns the property or has the right to allow EPB to install any necessary equipment and wiring to provide Customer service. Customer also agrees to allow access for the purpose of checking signal quality. Customer should always ask for proper identification anytime an EPB employee or contractor requests entry to Customer's property. If identification is not provided, please do not allow access.

Limitation of Liability. IN NO EVENT SHALL EPB BE LIABLE TO CUSTOMER OR TO ANY USER OF CUSTOMER'S SERVICE FOR LOSS OF PROFITS OR FOR SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING FROM THE RELATIONSHIP OR THE CONDUCT OF BUSINESS UNDER THE AGREEMENT, EVEN IF EPB HAS BEEN ADVISED OF THE POSSIBILITY OF ANY SUCH DAMAGES. WITHOUT LIMITATION OF THE FOREGOING, EPB SHALL HAVE NO LIABILITY FOR ANY CLAIMS, LOSSES, ACTIONS, DAMAGES, SUITS OR PROCEEDINGS RESULTING FROM OTHERS ACCESSING CUSTOMER'S COMPUTERS AND EQUIPMENT, SECURITY BREACHES, VIRUSES, EASVESDROPPING, INTERCEPTION OF TRAFFIC SENT OR RECEIVED USING THE SERVICES, OR ANY USE OF THE EQUIPMENT OR SERVICES OF EPB THAT INFRINGES UPON ANY PATENT, TRADEMARK, TRADE SECRET, CONFIDENTIALITY, PRIVACY OR INTELLECTUAL PROPERTY OR CONTRACTUAL OR OTHER RIGHTS OF ONE OR

MORE THIRD PARTIES. If applicable, the outage credits provided for in the Service Level Agreement represent the sole liability of EPB for any interruption or failure of service or any breach or other claim arising from the Agreement. Otherwise, EPB's liability shall not exceed the total amount paid by Customer to EPB for non-usage based charges in the prior month. It is expressly understood that EPB shall have no liability for any damage to Customer or any other person claimed to have resulted from Customer's use of the Service(s). EPB is not liable for any inconvenience, loss, liability or damage resulting from any interruption of or defect with the Service or equipment including, without limitation, interruptions or defects caused directly or indirectly by matters beyond our control. In no event shall EPB be liable for any direct, indirect, incidental special, treble, exemplary consequential or punitive damages from whatever cause under any circumstances or legal theory, even if EPB has been advised of the possibility of such damages.

Miscellaneous. These Terms & Conditions and any other documents incorporated by reference constitute the entire agreement and understanding between Customer and EPB with respect to EPB's provision of the Service(s) and related equipment. They replace any and all prior written or verbal agreements. If any portion of this Agreement is held to be unenforceable, the unenforceable portion shall be construed in accordance with applicable law as nearly as possible to reflect the original intentions of the parties, and the remainder of the provisions shall remain in full force and effect. If EPB fails to insist upon or enforce strict performance of any provision of these Terms & Conditions, it shall not thereby waive any provision or right. Neither the course of conduct between the parties nor trade practice shall act to modify any provision of these Terms & Conditions.

No Waiver. A waiver by either party of a breach of any provision of the Agreement and these General Terms must be in writing, and no such written waiver shall operate as, nor be construed as, a waiver of any subsequent breach.

No Warranties. EPB makes no warranties, express or implied, including but not limited to, any implied warranties of merchantability, fitness for a particular purpose, title or non-infringement usage of trade, course of dealing or course of performance or any warranty that the service or the equipment will meet customer's requirements. The Service and the equipment are provided to Customer on an "as is" basis. The Service is not fail-safe and may be disrupted. Without limiting the foregoing, EPB does not warrant that the service will be without failure, delay, interruption, error, degradation of quality, or loss of content, data or information. Neither EPB nor its officers, directors, employees, contractors or any other service provider who furnishes services or products to customer in connection with these Terms & Conditions or the Service will be liable for unauthorized access to facilities, premises or equipment or for unauthorized access to, or alteration, theft or destruction of customer's data or information regardless of whether such damage occurs as a result of negligence by EPB, its contractors or service providers. Statements and descriptions concerning the Service or equipment, if any, by EPB or by EPB's authorized representatives are informational and are not given as a warranty of any kind.

Parental Control. Parental control features are available for Customer's use with EPB Fiber Optics services.

Right to Audit. Customers receiving Bulk Viewing and Public Viewing packages agree that EPB's pricing is calculated based upon the number of outlets or fire code capacity. Such Customers agree to notify EPB in advance of any addition to the number of outlets or to the fire code capacity of Customer's building. EPB reserves the right to audit Customer's premise for changes in the active number of outlets or increase in room capacity. Customer agrees to pay an increased rate for all unreported outlets or increases in fire code capacity retroactive to the date of installation or prior audit, whichever is later.

Service Changes. As with all our utility services, one call to our office will take care of Customer's needs. Please call 648-1500 should Customer decide to alter Customer's services, move or make any other changes.

Survival. Certain obligations under these Terms & Conditions by their terms continue beyond termination of the Service including, but not limited to, provisions dealing with access to property, disclaimers of warranties, limitations of liability and indemnity. The termination, expiration or cancellation of Service under these Terms & Conditions shall in no way affect the survival of such obligations.

Term. The Agreement shall commence on the date set forth on the Agreement. The initial term of the Agreement shall be from the date of the Agreement through the Initial Term shown on the Agreement. Thereafter, EPB shall continue to provide services to Customer on a month to month term at then-current rates until Customer provides EPB with thirty (30) days prior written notice of cancellation.

Termination. If Customer fails to pay fees or charges when due, EPB may terminate the Agreement on ten (10) days' notice. Either party may terminate the Agreement for the other party's default of an obligation under the Agreement and failure to cure such default within thirty (30) days' of written notice of such default ("Cause"). If Customer terminates the Agreement at any time prior to the expiration of the Initial Term other than for Cause, or if EPB terminates the Agreement contract for nonpayment of fees or charges or for Cause, Customer shall be immediately responsible for payment of all charges and expenses incurred to date plus a termination charge equal to 50% of the total monthly charges (excluding variable usage charges) that would have become due for the remainder of the term if such termination had not occurred plus any waived installation charges or other fees. Customer acknowledges that such termination is reasonable and forms an integral portion of the rates and charges established in the Agreement. All amounts due EPB will become immediately due and payable.

Video Programming. Customer acknowledges that EPB has the right at any time to preempt without notice specific advertised programming and to substitute programming, which EPB deems to be comparable.

Wiring. In a single dwelling unit, all inside wiring is the Customer's property. In a multiple dwelling unit or a commercial premise, wiring is not the Customer's property unless purchased by the Customer. Ownership of wiring begins twelve (12) inches from where the wiring enters the outside of the customer's premise.

EPB CO-LOCATION SPACE RENTAL TERMS AND CONDITIONS

Grant of Right; Term. EPB owns Space as described in the Proposal. Subject to the terms and conditions of this Agreement, EPB hereby grants to Tenant the right to access (24 hours a day, 7 days a week), occupy and use certain prepared rack space in the EPB Co-Location facility located at 1401 Oak Street in Chattanooga, Tennessee. This Agreement shall become effective on the date of equipment installation by Tenant and shall remain in effect for the term indicated in the Proposal. After the expiration of the initial term, this Agreement shall continue month to month until either party terminates the Agreement by providing sixty (60) days prior written notice of its intent to terminate. If Tenant chooses to continue occupying the Space on a month to month basis at the expiration of the initial term, Tenant's pricing shall increase by ten percent 10% or to EPB's then-current pricing, whichever is higher.

Acknowledgement. Tenant acknowledges that this Agreement grants only a right to occupy, place and install its equipment subject to the terms and conditions contained herein. Without limiting the generality of the foregoing, Tenant stipulates, acknowledges and agrees that it does not have any right to occupy or use any part of the space other than for the limited purposes set forth herein or to control the functionality or routing capabilities of EPB transmission or switching facilities. Subject only to the rights granted to Tenant in this Agreement, nothing contained in this Agreement shall be construed to limit EPB's right to maintain and operate its own facilities as EPB shall determine in its sole discretion, or limit or restrict EPB in any way with respect to any agreement or arrangement which EPB has previously entered into, or may hereafter enter into, with any third party.

Condition of Presence; Use. The Space shall be accepted "AS-IS" by Tenant. Tenant shall provide to EPB an inventory of all equipment and related appurtenances which it installs in the space and other reasonable technical information about Tenant's equipment. Tenant may use the space for the purposes of installing, maintaining, repairing, replacing and operating the equipment as set forth in the referenced inventory of equipment in connection with its telecommunication activities, which may include interconnection with EPB. Title to, and all risk of loss for, such equipment shall remain with Tenant. All decisions concerning location of the equipment and installation of the equipment will be at the sole discretion of EPB. Tenant shall not use the space or equipment contrary to the limitations of these Terms and Conditions or permit anything to be done in or about the space or bring or keep anything therein which will in any way increase the rate of insurance upon EPB's property or any of its contents or cause a cancellation of said insurance or otherwise adversely affect said insurance in any manner.

Fees. This Agreement is made for and in consideration of the covenants herein contained and the payments described in the Proposal. Nothing contained in this Agreement shall obligate EPB to provide additional space, and the parties understand and agree that the fees and rates for other and additional space are subject to negotiation in the future. Tenant shall make all payments due within thirty (30) days after receipt of an invoice for same (the "Due Date"). Technical Specifications. Tenant's equipment and any subsequent modifications thereto which is utilized for interconnection with EPB shall be Network Equipment Building Standards ("NEBS") level 3 compliant.

Maintenance and Repair. Tenant shall be responsible for the proper maintenance and repair of the equipment, including any maintenance or repair that EPB reasonably determines is necessary to eliminate any potentially unsafe or undesirable conditions. If Tenant fails to rectify the condition to EPB's reasonable satisfaction within ten (10) days after notification, EPB may undertake or arrange for the required maintenance and/or repair, without first giving notice to Tenant and without subjecting itself to any liability for damage to any equipment or for any interruption of Tenant's services. Tenant shall then reimburse EPB for all costs relating to such maintenance or repair, including the costs of all labor and materials plus an additional administrative fee of twenty percent (20%) of the total bill over and above the costs for any maintenance that EPB may perform on Tenant's behalf. Such maintenance and repair costs shall be at EPB's then-current Carrier Rates plus the actual costs incurred by EPB for third party vendors for such maintenance and repairs. EPB may change the rates upon sixty (60) days' notice to Tenant. Upon notification of a change in rates, Tenant may terminate this Agreement upon thirty (30) days' prior notice.

Insurance: Tenant shall provide, and shall at all times during the term of this Agreement, carry at its own expense, the following minimum insurance:

- i. Statutory workers' compensation insurance and policies of liability insurance covering the risks assumed in performance of work under this Agreement. General liability and vehicle liability insurance with minimum policy limits of \$1,000,000.00 for personal injury to or death of any one person, and \$2,000,000.00 aggregate for any one accident. Such insurance shall include, without limitation, Products/Completed Operations, Broad Form Property Damage Coverage, and Blanket Contractual Liability Coverage to insure the indemnity and hold harmless provisions of this Agreement. The general liability and vehicle liability insurance shall have minimum policy limits of \$1,000,000.00 for property damage. In addition, Tenant shall maintain an umbrella policy with minimum limits of \$3,000,000.00 over and above any other forms of insurance required under this Agreement. All certificates of insurance shall list EPB as an additional insured and shall contain a provision requiring thirty (30) days prior notice to EPB in the event of cancellation or material change in coverage.
- ii. Prior to installation of its equipment under this Agreement, and from time to time thereafter, Tenant shall submit to EPB certificates evidencing the minimum insurance coverage required under this Agreement.
- iii. In the settlement or compromise by Tenant or its insurer of any claims arising out of Tenant's performance under this Agreement, Tenant shall obtain and provide to EPB properly executed written releases, in a form satisfactory to EPB and Tenant or its insurer, releasing EPB from any and all liability if EPB was not in any way liable for same.

Removal. At the Expiration Date, Tenant (and any person claiming through Tenant, including any vendor or financier of any equipment, together with Tenant, the "Remover") will have thirty (30) days ("Removal Period") to remove the equipment at the sole cost and expense of Tenant,

and provided, further, that Remover shall repair any damage to the space resulting from such removal. Any items of equipment which remain in the space after the Removal Period may, at EPB's option exercised at any time after not less than five (5) days' notice to Tenant, be deemed to be abandoned, and subject to any third party rights in such equipment in such case either be retained by EPB as its property or may be disposed of, without accountability, in such manner as EPB may see fit at Tenant's expense. Tenant hereby waives any claims to such abandoned equipment and shall indemnify EPB against all reasonable costs and expenses incurred by EPB in storing, removing and disposing of such equipment after expiration of the Removal Period.

Surrender. Tenant shall surrender the space upon the expiration or termination of this Agreement in as good a condition as received, subject to normal wear and tear. In the event of damage or alteration of the space, Tenant shall be responsible for any costs incurred by EPB in order to restore the space to its previous condition.

Interference. Tenant shall not use the Space in any way that will interfere with EPB's use of the site; provided, however, that Tenant's use of the Space and site in accordance with this Agreement shall at no times be construed to be interfering with EPB's use of the site.

Access. EPB shall provide Tenant with twenty-four (24) hour access, subject to compliance with such reasonable security procedures as EPB may from time to time adopt and communicate in writing to Tenant, to the extent that such access is related to the operation, maintenance or repair of Tenant's equipment. All of Tenant's rights of access under this section shall terminate upon the Expiration Date; provided that Tenant shall continue to have access after such expiration or termination to remove its equipment in accordance with these terms and conditions.

Power. EPB will provide Tenant with power as described in the Proposal and as required for the equipment; provided, however, that EPB shall incur no liability to Tenant whatsoever should any power become unavailable from any public utility company, public authority or any other person, firm or corporation supplying, distributing or responsible for such utility or service.

Installation and Inspection. EPB may (a) provide a representative to observe and inspect Tenant's installation of the equipment, and (b) make periodic inspections of any equipment upon reasonable advance notice of such inspections; and Tenant shall have the right to be represented during such inspections; provided, however, if in the sole judgment of EPB, safety considerations require an inspection without the delay of providing notice, EPB may make such inspection immediately but shall provide notice of such inspection to Tenant. The making of periodic inspections or the failure to do so shall not operate to impose upon EPB any liability of any kind whatsoever, or relieve Tenant of any responsibility, obligation or liability assumed under this Agreement.

Interruptions. EPB will use reasonable efforts to ensure that the space will be free of interruptions of services provided by other third parties, provided, however, that EPB does not warrant that the use of the space will be free from such interruptions.

Limitation of Liability. If Customer has purchased an SLA, the remedies provided in the SLA shall be Customer's sole and exclusive remedy under this Agreement. Otherwise, in the event of an outage that lasts more than eight (8) hours, Tenant shall be entitled to a pro-rated credit of its monthly service fee provided for in this Agreement which pro-rated credit represents the sole liability of EPB for any interruption or failure of service. The credit shall be a pro-rata share of Tenant's monthly charge, not to exceed Tenant's total monthly charge. Any claim for such a credit must be made within thirty (30) days following such outage or malfunction. foregoing shall represent the sole liability of EPB for damages resulting from or arising in connection with this Agreement. In no event shall EPB be liable to any user of Tenant's service for loss of profits or for special, indirect, incidental, exemplary, consequential or punitive damages arising from the relationship or the conduct of business under this Agreement, even if EPB has been advised of the possibility of any such damages. Without limiting the foregoing, EPB shall have no liability for any claims, losses, actions, damages, suits or proceedings resulting from other's accessing Tenant's computers and equipment, security breaches, viruses, eavesdropping, interception of traffic sent or received using the services or any use of the equipment or services of EPB that infringes upon any patent, trademark, trade secret, confidentiality, privacy or intellectual property or contractual or other rights of one or more third parties.

Taxes; Indemnification Against Taxes. Tenant shall be fully responsible for the prompt payment of all federal, state or local taxes, however denominated, based on or calculated with respect to the amounts payable by Tenant pursuant to this Agreement (including but not limited to sales/use, rental and gross receipts taxes or surcharges) and all taxes (including but not limited to franchise, income and miscellaneous taxes) which are the liabilities of Tenant under (1) appropriate standard industry practices (including telecommunications, fiber optic and rental industries), (2) applicable law and (3) as otherwise agreed at any time between Tenant and EPB notwithstanding that the incidence thereof may be on EPB; provid, however, the taxes on EPB's franchises, rent, income and property shall be the sole responsibility of EPB. Tenant shall also be responsible for all property taxes assessed against the equipment. EPB and Tenant shall cooperate in taking all reasonable actions necessary to minimize or to qualify for exemptions from any such taxes, duties or liabilities. Tenant shall provide all information to EPB of any exemption of property, sales, use or other tax claimed by Tenant, and shall ensure that its tax-exempt status, if any, remains current. Tenant shall also indemnify and hold EPB harmless against any and all taxes described in this Section I, however denominated, which may be assessed against EPB for Tenant's equipment or EPB's grant to Tenant under this Agreement. This Section I shall survive termination of this Agreement.

Default. Tenant shall be considered in default of this Agreement if: Tenant fails to make an undisputed payment when due and fails to cure same within ten (10) days' notice from EPB; (B) Tenant violates any provision of this Agreement, or fails to cause any repair or modification to the equipment required by EPB within thirty (30) days' notice; or (C) Tenant undergoes bankruptcy; dissolution; financial failure or insolvency; or receivership..

Successors and Assigns. The rights and obligations of Tenant and EPB under this Agreement shall inure to the benefit of and shall be binding upon the successors and assigns of Tenant and

EPB. Tenant shall not delegate its obligations and responsibilities hereunder without the prior written consent of EPB.

Governing Law. This Agreement shall be governed by and interpreted and enforced under the laws of the State of Tennessee, without regard to conflicts of law provisions.

Forum Choice. Tenant hereby submits to the personal jurisdiction of the courts of Hamilton County, Tennessee and agrees that they shall be the exclusive venue for resolution of any disputes that may arise out of this Agreement

Entire Agreement. This Agreement constitutes the final, complete, and entire written agreement of the parties and supersedes all previous communications, representations, agreements, promises, statements, proposals, and specifications, whether written or oral, by or between the parties, except as expressly referenced and adopted herein. This Agreement may be modified only in writing signed by each of the parties to this Agreement.

Force Majeure. EPB shall not be liable for any failure of performance under this Agreement due to causes beyond its control, including without limitation, acts of God, fire, flood or other catastrophe, adverse weather conditions, material or facility shortages or unavailability, lack of transportation, imposition of law, regulation, ordinance, restriction, governmental code or rules, national emergencies, insurrections, riots, wars, strikes, lock-outs, work stoppages or other labor difficulties.

Notice. Any notices required to be provided hereunder shall be provided in writing. All notices to Tenant shall be delivered or mailed to the address on the Proposal. All notices to EPB shall be delivered to EPB Legal Services Division, P.O. Box 182255, Chattanooga, TN 37422. All notices shall be delivered or mailed. If mailed, the notices shall be deemed given when deposited, postage prepaid, with the Unites States Postal Service.

Confidentiality. Each party agrees that it will treat as confidential all information which may be disclosed to it by the other under this Agreement. Confidential Information shall not include any information that the receiving party can demonstrate by written records the information (i) is or becomes generally available to the public without breach of this Agreement, (ii) was in the possession or known by the receiving party prior to receipt from the disclosing party, (iii) was rightfully disclosed to the receiving party by a third party not under an obligation of confidentiality, or (iv) was independently developed without reference to or use of any confidential information of the disclosing party. Each party agrees not to disclose confidential information to third parties, and agrees to make no use thereof except as necessary for the proper performance of this Agreement. Each party shall afford confidential information the same security and care in handling and storage as each party provides for its own confidential information. All confidential information shall remain the property of the disclosing party and the original and copies thereof, in whatever form, shall be returned to the disclosing party within ten days upon request. Each party agrees that any breach of the obligations in this Section will cause irreparable harm to the disclosing party for which money damages will not be an adequate remedy. Therefore, the disclosing party shall, in addition to any other legal or equitable remedies, be entitled to seek an injunction or similar equitable relief against such

breach or threatened breach of this Section without the necessity of posting any bond. The parties' obligations hereunder shall not extend to information which is required to be disclosed by operation of law, court order, or pursuant to the lawful requirement of a government agency. The parties' obligations under this Section shall continue after the termination or expiration of this agreement.

No Waiver. No delay or failure of EPB in exercising any right or power under this Agreement shall operate as a waiver of such right or power to prevent the future exercise of such right or power.

Relationship of Parties. EPB and Tenant hereby certify that they are independent parties, acting as independent contractors and independent employers. Nothing herein shall be construed to create a partnership, joint venture, or agency relationship between EPB and Tenant, and neither party shall have the authority to bind the other party in any respect.

No Third Party Beneficiaries. Nothing contained in this Agreement shall be construed as creating rights in third parties, and the parties hereby express their intent that this Agreement is not intended to benefit third parties in any manner.

Government Tort Liability. Nothing contained in this Agreement or in bond or in any certificate or policy of insurance or in any provision of indemnity shall be construed to constitute a waiver by EPB of any provision, of the Tennessee Governmental Tort Liability Act, as amended, Tenn. Code Ann. § 29-20-101 et seq., or of any other provision of federal, state, or local law affording EPB protection from or limitation of tort or other liability.

SERVICE LEVEL AGREEMENT - PROFESSIONAL INTERNET

This Service Level Agreement (SLA) measures the percentage of time a port is available for Customer's Professional Level Internet Services and establishes a credit mechanism, if EPB Fiber Optics does not achieve the committed port availability. This SLA is a part of the Agreement between EPB Fiber Optics and Customer.

1. SERVICE LEVEL STANDARDS

EPB Fiber Optics will maintain 99.9% Committed Port Availability for each Port that EPB Fiber Optics utilizes for Internet services. EPB Fiber Optics commits to a 4 Hour Mean Time to Respond Performance Objective. If EPB Fiber Optics fails to meet its Service Level Standards, EPB Fiber Optics will provide Customer with the remedies described in Section 3. EPB Fiber Optics must provide the local access on EPB Fiber Optics facilities to qualify for this Service Level Agreement.

- 2. CALCULATION OF SERVICE LEVEL STANDARDS
- 2.1 Port Availability Calculation. Port availability is calculated monthly as follows:

(Number of Minutes in a Month) – Port Outage Time (minutes)	Dout Augilahiliba
(4) 1 (4) (4)	= Port Availability
(Number of Minutes in a Month)	

- 2.2 Components Included in Port Availability. Port availability is calculated based on the performance of EPB Fiber Optics provided local access facilities used to access the IP Network.
- 2.3 Outage Time. Excluding Outages caused by the factors listed below, outage time ("Outage Time") is the total time in a month that a Customer's Port is unable to transmit or receive IP traffic, and Outage Time is measured from the time EPB Fiber Optics opens a trouble ticket to the time a problem is repaired. Outage Time does not include outages of less than 60 seconds duration, or time attributed to Customer's delay in responding to requests from EPB Fiber Optics for assistance to repair an outage. Outage Time will not include outages caused by:
- (A) Failure of any component not included in the subsection 2.2 above
- (B) Failure of Customer-provided local access facilities used to access the IP Network
- (C) Scheduled maintenance from 12:00 a.m. (midnight) 6:00 a.m., local time at site
- (D) Failure of any components beyond the IP side of a network-to-network interface ("NNI")
- (E) Failure of any components EPB Fiber Optics cannot correct because Customer fails to respond to requests for access or customer's facilities are otherwise inaccessible
- (F) Troubles resolved as "No Trouble Found"
- (G) Force majeure events under the Agreement

- (H) Customer's negligence or willful misconduct or the negligence or willful misconduct of others using services under the Agreement; or
- (I) Lateral Exchange Network Service.
- 2.4 Mean Time to Respond. Mean Time to Respond (MTTR) is defined as the monthly average of the time taken between when a trouble ticket is opened by EPB Fiber Optics and when EPB Fiber Optics responds acknowledging receipt of the trouble ticket. MTTR is calculated by dividing EPB Fiber Optics' total response time by the total number of trouble tickets in a calendar month.

3. REMEDY

If customer believes that EPB Fiber Optics has failed to meet its Service Level Standards in any given billing month, Customer must contact its EPB Fiber Optics Customer Care Representative within thirty (30) days of Customer's receipt of EPB Fiber Optics' invoice for that billing month. Once EPB Fiber Optics verifies that the actual Service Level Standards are below the committed levels in any given billing month, EPB Fiber Optics will calculate the cumulative total Outage Time for the specific billing month and will issue a service credit ("Service Credit") to Customer that will appear on Customer's monthly invoice. The Service Credit will equal the applicable amount from the table below. Service Credits will not exceed the limits in Section 4.

Total Monthly Outage

Time Service Credit*

Less than or equal to 1 hour

1-Day's service Credit

Greater than 1 hour 1-Day's Service

Credit plus 1-Day Service Credit for each Whole hour of Outage Time in excess of 1 hour

*1-Day Service Credit is equal to 1/30 of the monthly recurring charge for the affected Port in the applicable month (N-Days Service Credit is equal to 1-Day Service Credit multiplied by N, where N is the number of Days of Service Credit).

4. MAXIMUM SERVICE CREDITS

- 4.1 Monthly Service Credit. Service Credits issued in any month for a Port under this SLA will not exceed the monthly recurring charges for the affected Internet Port.
- 4.2 Yearly Service Credit. Without limitation of the monthly service credit limitation under section 4.1, the combined cumulative total of Service Credits issued during each year that the Agreement is in effect under this SLA will not exceed 10% of Customer's total services for Internet connectivity that have been or will be invoiced during that year.

5. APPLICABILITY

This Service Level Agreement applies to new Customers that enter into an Agreement for Professional Level Internet services with a term of one (1) year or longer and to existing Customers that extend the Term of their existing Agreement for an additional one (1) year or longer term. Only one Service Level Agreement is available per Customer, and this Service Level Agreement replaces and supersedes any prior service level agreement in effect between EPB Fiber Optics and Customer with respect to Professional Level Internet services. This Service Level Agreement is limited to Ports utilized to provide

connectivity to the network of computers commonly referred to as the Internet and does not apply to any Port utilized to provide voice, data or other telecommunications service, whether or not the underlying facilities utilize Internet Protocol equipment in the provision of such service.

SERVICE LEVEL AGREEMENT - VLAN SERVICES

This Service Level Agreement (SLA) measures the percentage of time a port is available for Customer's VLAN Services ("Agreement") and establishes a credit mechanism if EPB Fiber Optics does not achieve the committed port availability. This SLA is a part of the VLAN Agreement between EPB Fiber Optics and Customer.

1. SERVICE LEVEL STANDARDS

EPB Fiber Optics will maintain 99.9% Committed Port Availability for each Port that EPB Fiber Optics utilizes for VLAN services. If EPB Fiber Optics fails to meet its Service Level Standards, EPB Fiber Optics will provide Customer with the remedies described in Section 3. EPB Fiber Optics must provide the local access on EPB Fiber Optics facilities to qualify for this Service Level Agreement.

- 2. CALCULATION OF SERVICE LEVEL STANDARDS
- 2.1 Port Availability Calculation. Port availability is calculated monthly as follows:

(Number of Minutes in a Month) – Port Outage Time (minutes)

= Port Availability
(Number of Minutes in a Month)

- 2.2 Components Included in Port Availability. Port availability is calculated based on the performance of EPB Fiber Optics provided local access facilities used to access the Network.
- 2.3 Outage Time. Excluding Outages caused by the factors listed below, outage time ("Outage Time") is the total time in a month that a Customer's Port is unable to transmit traffic, and Outage Time is measured from the time EPB Fiber Optics opens a trouble ticket to the time a problem is repaired. Outage Time does not include outages of less than 60 seconds duration, or time attributed to Customer's delay in responding to requests from EPB Fiber Optics for assistance to repair an outage. Outage Time will not include outages caused by:
- (A) Failure of any component not included in the subsection 2.2 above
- (B) Failure of Customer-provided local access facilities used to access the Network
- (C) Scheduled maintenance from 12:00 a.m. (midnight) 6:00 a.m., local time at site
- (D) Failure of any components beyond the Network side of a network-to-network interface ("NNI")
- (E) Failure of any components EPB Fiber Optics cannot correct because Customer fails to respond to requests for access to customer's facilities or are otherwise inaccessible
- (F) Troubles resolved as "No Trouble Found"
- (G) Force majeure events under the Agreement
- (H) Customer's negligence or willful misconduct or the negligence or willful misconduct of others using services under the Agreement; or

(I) Lateral Exchange Network Service.

3. REMEDY

If customer believes that EPB Fiber Optics has failed to meet its Service Level Standards in any given billing month, Customer must contact its EPB Fiber Optics Customer Care Representative within thirty (30) days of Customer's receipt of EPB Fiber Optics' invoice for that billing month. Once EPB Fiber Optics verifies that the actual Service Level Standards are below the committed levels in any given billing month, EPB Fiber Optics will calculate the cumulative total Outage Time for the specific billing month and will issue a service credit ("Service Credit") to Customer that will appear on Customer's monthly invoice. The Service Credit will equal the applicable amount from the table below. Service Credits will not exceed the limits in Section 4.

Total Monthly Outage

Time Service Credit*

Less than or equal to 1 hour

1-Day's service Credit

Greater than 1 hour 1-Day's Service

Credit plus 1-Day Service Credit for each Whole hour of Outage Time in excess of 1 hour

*1-Day Service Credit is equal to 1/30 of the monthly recurring charge for the affected Port in the applicable month (N-Days Service Credit is equal to 1-Day Service Credit multiplied by N, where N is the number of Days of Service Credit).

4. MAXIMUM SERVICE CREDITS

- 4.1 Monthly Service Credit. Service Credits issued in any month for a Port under this SLA will not exceed the monthly recurring charges for the affected Port.
- 4.2 Yearly Service Credit. Notwithstanding the monthly service credit limitation under section 4.1, the combined cumulative total of Service Credits issued during each year that the Agreement is in effect will not exceed 10% of Customer's total services for the affected Port that has been or will be invoiced during that year.

5. APPLICABILITY

This Service Level Agreement applies to VLAN Services covered by the Agreement. Only one Service Level Agreement is available per Customer, and this Service Level Agreement replaces and supersedes any prior service level agreement in effect between EPB Fiber Optics and Customer with respect to VLAN Services. This Service Level Agreement is limited to Ports utilized to provide connectivity to the network of computers and does not apply to any Port utilized to provide EPB voice, data or other telecommunications service.

City of Chattanooga

Mayor Andy Berke

February 4, 2016

Mr. Lee Norris, Administrator Public Works Department Development Resource Center 1250 Market Street – Suite 2100 Chattanooga, TN 37402

Subject: 531232- Blanket Contract Renewal: Flow Meters Plus Maintenance and Support Services - Waste Resources Division - Public Works Department

Dear Mr. Norris:

Council approval is recommended to renew the blanket contract for Flow Meters Plus Maintenance and Support Services for the Waste Resources Division of the Public Works Department. This blanket contract with American Control Services LLC started in March 2015 and to date has provided \$247,386 of services for Waste Resources. Annual usage of this blanket contract is expected to remain approximately \$300,000 per year.

I recommend renewing this blanket contract with American Control Services LLC for a one (1) year term through March 2017. There is one (1) remaining one (1) year renewal option beyond 2017.

Respectfully yours,

Bonnie Woodward Director of Purchasing

uni Dodward

City of Chattanooga

Mayor Andy Berke

Mr. Lee Norris, Administrator Public Works Department Development Resource Center 1250 Market Street – Suite 2100 Chattanooga, TN 37402

Subject: 531389- Blanket Contract Renewal: Valve Actuator Services - Waste Resources Division - Public Works Department

Dear Mr. Norris:

Council approval is recommended to renew the blanket contract for Valve Actuator Services for the Waste Resources Division of the Public Works Department. This blanket contract with Industrial Valve Sales & Service, Inc. started in March 2015 and to date has provided \$224,708 of services for Waste Resources. Annual usage of this blanket contract is expected to remain approximately \$250,000 per year.

I recommend renewing this blanket contract with Industrial Valve Sales & Service, Inc. for a one (1) year term through March 2017. There is one (1) remaining option for a one (1) year contract renewal beyond 2017.

10 malures

Respectfully yours,

Bonnie Woodward
Director of Purchasing

City of Chattanooga

Mayor Andy Berke

January 29, 2016

Mr. Lee Norris, Administrator Public Works Department Development Resource Center 1250 Market Street – Suite 2100 Chattanooga, TN 37402

Subject: 128858/304062 – Supply and Delivery of Seepex Pump Parts – Waste Resources Division - Public Works Dept.

Dear Mr. Norris:

Council approval is recommended to issue a blanket contract for the Supply and Delivery of Seepex Pump Parts for the Waste Resources Division of the Public Works Department. The contract term will be for twelve (12) months with the option to renew for two (2) additional twelve (12) month periods. The estimated annual expenditure for the contract is \$150,000.

The invitation to bid was sent to eight (8) vendors as well as formally advertised. Two (2) responses were received as shown below and on the attachment. Copies of the bids are retained on file and available for review in the Purchasing Office upon request.

Bidders

Southern Sales Company

Tencarva Machinery Company

I recommend awarding this blanket contract to Southern Sales Company based upon the unit prices bid. Southern Sales Company offers the lowest and best bid which meets the specifications for the City of Chattanooga.

Respectfully,

Bonnie Woodward Director of Purchasing
